MOMS *for* LIBERTY

BUNCOMBE COUNTY • NC

MARCH 29TH
10AM - 1PM

Sending a child to public school does not mean parents forfeit their fundamental right to know and influence what their child is being taught. Parents have long exercised local control over public education to ensure their court-

-recognized right to oversee their child's learning and upbringing is respected. Unfortunately, progressive activists have increasingly used schools as a tool for social change, often at the expense of parental input.

Join us for the Mama Bear Workshop at Radiant Church in Arden, NC, where you'll learn how to protect children from harmful curriculum and ideological indoctrination. Half of all ticket sales will be donated to Samaritan's Purse to support their efforts in rebuilding Western North Carolina.
