## Independent Documentaries

- *Whose Children are They*: This groundbreaking and powerfully persuasive documentary features brave teachers, empowered parents, and front-line experts who pull back the curtain about what is truly happening in our public schools today.  
<https://whosechildrenarethey.com>
- *Gender Transformation*: Through the real-life experience of several transgender youth and expert interviews, this docudrama provides an uncensored look into the forces behind this movement and reveals untold stories you have never heard in other media. An award-winning Epoch Original docudrama EVERY PARENT needs to watch.  
<https://www.gendertransformation.com>
- *15 Days - The Real Story of America's Pandemic School Closures*: A forensic analysis of what happened to children during school closures, this film preserves the voices of those who fought to reopen schools and serves as a historical record to protect future generations.  
<https://www.15daysfilm.com>
- *Beneath Sheep's Clothing*: Reveals firsthand accounts of historical Soviet tactics to overtake education and religion and offers compelling evidence that similar tactics have been at play with our schools and churches here in America – for over a century!  
<https://beneathsheepsclathing.movie>
- *Off School Property: Solving the Separation of Church and State* - The story of the LifeWise program (<https://lifewise.org>), a movement based on the 1952 SCOTUS decision which allows the Bible to be taught during school hours. Help bring it to the children in your district.
