MARCH BROUGHT VICTORY FOR PARENTAL RIGHTS
BUT THE TOLERANT LEFT SHOWED THEMSELVES IN OPPOSITION

Does this look the face of the "tolerant left"?

This is Sen. Karen Berg. She states her daughter had mental illness and identified as male and was working in the trans community. Seemed as if Henry (shown below) found his community but committed suicide in December 2022. Sen. Berg has used Henry's suicide to push her agenda for trans rights. She admits that Henry had mental illness but also states that he committed suicide because he was never accepted. Evidence does not support that. It is a tragedy that any parent should lose a child.

PICTURES FROM THE RALLY IN FRANKFORT.

THE DEVIL HORNS MAN LEAD 3 BUS LOADS OF CHILDREN IN CHANTS IN THE ROTUNDA- I wonder if their parents knew what their kids field trip to the capital was about....

NEEDLESS TO SAY, THEIR BEHAVIORS WERE NOT ABOUT INCLUSIVITY, LOVE OR ACCEPTANCE. ☹️ SEVERAL WERE ARRESTED, NO SURPRISE THERE!

March also brought about one of our Co-Founders, Tiffany Justice testifying before a Congressional hearing on Parental Rights in Washington DC.

Take notice of that envelope of papers to her right, she was told by 2 senators that they do not believe any parental rights have been violated and that it is just a scare tactic...they challenged her that she could not find 100 parents. NEVER EVER CHALLENGE A MOM!

Each paper is a signed affidavit from a parent 😊

You can check out the Joyful Warrior Podcast featuring Tiffany Justice daily on YouTube, Instagram and Spotify. She covers a variety of topics happening in our country and how they affect Parental Rights, the Education of our Children and Politics.
