

End of Month Updates

We have had quite a month here in Montgomery County. Our members have stepped up and been active in letting legislators and the Board of Education know they are going to be silenced, and parents have the right to their child's education.

Moms for Liberty- MoCo Chapter invites you to join the Interfaith Rally & March on June 27, 2023

Rockville, MD – Moms for Liberty- MoCo along with dozens of other local and state organizations representing religious and parental rights will once again band together at the next Montgomery County Public School Board of Education Meeting.

Below is more information:

When: Tuesday, June 27, 2023

Where: Carver Educational Service Center - 850 Rutherford Rd, Rockville

Time: 2:00 p.m. - for as long as you can stay

High-Level Details:

If you're able to join anytime 2 p.m. through approximately 5:30 p.m., please join us. Exact details will be shared on the morning of the event (via our FB group and an email to all those who support this cause but aren't on our FB group). This is a family-friendly event. Those joining us are encouraged to bring your entire family, including children. Please join the event for as little or long as you can. We are Joyful Warriors, we are kind, and respectful, and show the nation's youngest how to stand up for what you believe in while also doing so with grace.

What's Encouraged:

- American Flags
- Clean language signs (bold letters, heavy contrast colors, it's a fun craft for the kids to paint them. These do not need to be smaller than 8.5x11 as these signs aren't going to be in the building)
- Snacks and "happies" for the genuinely kind security guards that have been beyond pleasant during all our campaigns.
- Microphone or megaphone
- Wearing Navy Blue if you'd like to signal that you're participating in connection with Moms for Liberty
- Sunscreen & water

What's NOT allowed:

- Foul Language
- Engaging in hostile arguments (hopefully this is a moot point)
- Name-calling

Wondering if joining in this event is for you and your family? If you answer YES to any of these questions then the answer is YES, please join us!

Do you believe in age-appropriate content in our schools?

Do you believe parental rights are fundamental rights to be respected and supported by local schools?

Do you believe in protecting religious beliefs even if they are different from your own?

Do you believe MCPS schools should make space for all while also respecting all?

Do you want the Opt-Out restored as a fair compromise to make space for all while respecting all?

This is your chance to be part of a growing and powerful movement demanding transparency and respect for family rights over government overreach.

The mission of Moms for Liberty nationwide is to fight for the survival of America by unifying, educating, and empowering parents to defend their parental rights at all levels of government. Moms for Liberty continues to see explosive grassroots growth as American parents claim their rightful seat at the table when decisions are being made that impact their children.

Last thoughts:

- Please do not share this information with the media, or anyone that you think would not support this rally and march without prior approval from Moms for Liberty MoCo Chapter Chair -Lindsey Smith. You can reach out to us at momsforlibertymoco@gmail.com for more details. Please do not repost on any social media website. Because this is a family-friendly event, and because the last rally was mischaracterized by those with differing opinions, we want to do everything possible to keep our message clear. This is not anti-LGBTQ, this is religious rights, parental rights, and age appropriateness.
