*Madison Minute- Today is Flag Day. The resolution for our 13 stripes & 13 stars flag was adopted 6-14-1777. First Flag Day observance was reportedly in CT the summer of 1861. After that schools all over the U.S. held Flag Day observances to help Americanize immigrant children.*

- \* **NYS Community Schools**-These programs are the indoctrination of children under the guise of health & social services focusing on Diversity, Equity & Inclusion. The schools will provide

counseling/mental & physical services WITHOUT parental consent and/or knowledge. Several area district schools {listed under the Central Western Region} have already embraced & practice these programs: Adirondack, Canastota, Camden, Central Valley Academy, Dolgeville, Holland Patent, Little Falls. For example, here’s the link to a June webinar on SEL: <https://www.nyscommunityschools.org/event/social-emotional-learning-in-schools/> .

- \* **Summer Camps-** Many area districts offer summer camps and are enticing enrollment with free snacks & goodies for the children. Whilst there they will be indoctrinated. VVS is offering an “Unplug, Unwind & Chill SEL Camp” from July 17-20. “No Rest For The Wicked,” not even for simple summertime games and wholesome family time.
  
- \* **Porn in School Libraries-** This issue continues and has national attention. Social Media is flooded with videos of children, parents and grandparents confronting school boards with pornographic material retrieved from their schools. The debate dissolves to BOOK BANNING which is not the goal. A basic rating system is available and is the objective to protect young readers from inappropriate sexually explicit material.
