

*The fallacy of composition and division makes the assumption that one part of something will apply to the whole, or that the whole must apply to all the the parts.*

In less than three years, Moms for Liberty has grown to 130,000+ members and 300 chapters across 47 states. With numbers that size, there will inevitably be individuals and even chapters that stray from the message of parental rights or do not exemplify being a Joyful Warrior. It is not our job to defend every action of every Moms for Liberty member or advocate for parental rights. We do not demand that they defend against every lie, riot or shooting by a Leftist!

Do not be caught in the trap of defending or explaining the actions of others. In King County, we follow the Moms for Liberty Mission, Vision and Values:

**Moms for Liberty is dedicated to fighting for the survival of America by unifying, educating and empowering parents to defend their parental rights at all levels of government.**

**Our Vision**

Americans empowered and thriving in a culture of Liberty.

**Our Values**

As Joyful Warriors:

We Stand for Truth

We Build Relationships

We Empower Others
