

SUPERINTENDENT

Robert Maddox, Jr., Ed.D.

Email: rmaddox@lexington4.net

Dear Lexington Four Community,

Our faculty and staff appreciate the opportunity to partner with families and our community to prepare students for the future. Decades of research verify what we know intuitively, outstanding school systems result from the combined efforts of educators, students, families, and community members working together. We are fortunate in Lexington Four that all stakeholder groups are committed to ensuring the success of our students.

The knowledge and skills students need to be prepared for careers, post-secondary training, and citizenship in the 21st Century are constantly being redefined. We strive to provide students with the programs and opportunities necessary to develop these skills. There are many excellent career options available to students who graduate from high school with well-respected industry certifications such as Certified Nurse Aide (CNA), Automotive Service Excellence (ASE), or American Welding Society (AWS) to mention a few.

Brad Frick
