ALL PURCHASES BENEFIT YOUR SCHOOL!

Join Scout on a book fair adventure! As you explore the catalog, look for hidden letters. Follow these steps to crack the code and reveal a secret message!

Steps to Decode:

- Find Letters:** As you read about each book, watch for blue frisbees with hidden letters. Write them in the "YOUR TURN" box under the "encoded message" below.
- Shift Letters:** Using the cipher key below, shift each capital letter three places forward in the alphabet. For example, A becomes d, E becomes h, and so on.
- Write It Down:** Decode the letters and write them in order in the "decoded message" spaces in the "YOUR TURN" box.
- Reveal the Message:** Once all the spaces are filled, the letters will reveal the message!
